Hi Everyone,

I was “elected” to create a basket for the upcoming Irish Setter Club of America National in WI. My friend, Karen Lause, has offered to assist with this project. To date, I have received a few donations that will help purchase items for our basket, and a few donations of items to place in the basket. Karen & I have some great ideas; we want to make our Michigan Basket the best one there and I know I can count on our members to help do this. We need to have the basket together by May 28 so it’s ready to transport to Wisconsin on June 7.

If you have an item to donate that would relate to our “Michigan” theme, please send it to me. Or, if you want to donate money that would be great too. Every dollar will help make this basket the best!! Please send to:

Barb Mooney

Thank you so much for your help.

OLD BUSINESS

Web site is making progress. Mr. Dave Schafer shared that he was able to get the old web site taken down so that now when people search for the ISCM web site it should find the correct one. Ms. Jackie Shelest is working on the web site and is requesting information and pictures from the membership.
NEW BUSINESS

Ms. Debbie Davis shared that ISCA is selling coffee as a fund-raising event. You will find all the information on their Web site, including an order form.

Mr. Dan Graham shared that Ms. Jane Ruggles has been in contact with the Red Wings for a possible fund-raiser for the iSCM and Nodog clubs. He will let us know when he has more detailed.

Ms. Ann Graham shared that she had been contacted about some old show photo’s that were found by Mr. Bill Mehring. Ms. Graham made a suggestion about gathering this information together and publishing it as a historical document for ISCM. This would preserve the information and be a possible revenue for ISCM. Some of this information could also be put on the ISCM web page.

Discussion ensued. This could also be put on the web site as a historical tab. This would be a huge project that would require a lot of thought about how it would best work. If you have historical photos of years gone by with the information as to who/where/when or if you have some historical documents about the club. Let Ann Graham know, we do need to preserve the information now while we have people here to help us “remember”.

Another suggestion made by Ann Graham was, if you have an old photo and don’t remember who/what/when/where. Send it to Jackie Shelest and she could put it on the web site with whatever caption suggested. Perhaps - do you know who, or do you remember this? And see who responds.

2010 Specialty discussion. Do we want to allow vendors? This topic was tabled for discussion for the 2011 Specialty.
