### From our Editor

#### GREETINGS FELLOW MEMBERS!

I am trying hard to adjust my body back to Michigan time and the fact I no longer have anyone waiting on me 24/7. My husband and I and our son and daughter in law just returned from a cruise of the Mediterranean. It was an amazing adventure and I tell you I am convinced the Mediterranean diet is the way to go. Love all that olive oil!!!

For those of you that are vacationing now or are about to embark I wish you good and safe travels and lots of R & R. Reality sets in almost too soon upon returning but must now take some time to think of all the projects the ISCM has coming up.

Our fall specialty will be coming soon in September on the 24th and 25th. Volunteers are always needed for something as big as this so please consider contributing your time and talents. Watch for all the upcoming announcements.

I also want to let you know that we will have a Memorial Section in the newsletter for those of you that wish to send photos or write some special memory about the companion who has passed on. Jackie will also be setting up the website to include this.

Many times we ask for setter Zen for our beloved Irish that need our help and support. This time we are asking for your setter Zen for a special member of our club who needs our support and love in this trying time. Sharon Rice is well known to many of us who have been around during the days when Sharon was working tirelessly for the club. Not only was she great at multitasking but she was a great ambassador for our club. She was one of the nice people who welcomed me and my husband into the club. She was always there answering the many questions all new people had and because she filled so many roles she was a great resource.

Kindly contact Sharon and let her know we are thinking of her and wish to send her much setter Zen and many thanks for all she has done for the ISCM. Sharon can be reached at 7915 Shooting Star, Helena, Montana 56109, email - Rices@umich.edu, or via her cell phone 406-465-2245.

#### RESCUE

Rescue chairpersons Dan and Ann Graham have a new rescue dog at their kennel. "Atty" is a neutered male who will be seven in July. He is up to date on all his shots, heartworm etc, and is a very nice looking boy. He has a sweet personality and seems to get along well with everyone. Unlike a lot of rescues, they have complete health records for Atty. He would make someone a very good companion.

## MEMBER CONTRIBUTIONS

Dottie Robertson sent an article from The Wall Street Journal titled "When a Pug and a Beagle Fall in Love, It's a Puggle. Because the article is too lengthy for the newsletter, with Dottie's permission, it has been summarized. According to the article the American Canine Hybrid Club has registered and named 671 different hybrid combinations since it started registering litters in 1990.

More dog owners are looking to create custom varieties that combine in a single dog the best traits of two purebreds. This has spawned an industry of breeders who specialize in hybrids. While the possibilities of designer dogs may seem limitless, breeders say they exercise common sense in match-making and aren't trying to mate large breeds with small. The article also states that despite a common belief, there have been no definitive studies showing that hybrids are healthier than purebreds. There are a fair number of cases where mixed-breed dogs still hold the genetic propensity for disease from their purebred parents.

##### *Obedience Report – Dan Graham*

Dan reported that both he and Paul Martini have been doing well with their dogs. Jazzie and I had a very good couple of days at the Progressive Dog Club show a couple of weeks ago. On Saturday we were High in Trial and High Combined and had to beat a couple of very good Golden's in heeling runoffs to do it. Her combined score for Open and Utility was 395.5 out of a possible 400. We picked up 8 OTCH points for those wins—on Sunday she placed a very close second in Utility for 4 more OTCH points (and had to beat another Golden in a heeling runoff). The following weekend at Tri Cities we got another 2nd place in Utility for another 4 OTCH points. This is starting to get fun! In the rally department, Ann and Sailor now have 6 legs towards their RAE 2 (4 to go).

Paul Martini reported that he finished his UDX and OM1.

##### *Rescue Committee Report – Ann Graham*

Rescue is without a dog at this time, having just placed "Sweetie" (now called Maggie) a couple of days ago with Marjorie Hahn and her husband from Sterling Hts. She came from a vet clinic in Royal Oak and had been dropped off there by a young man who said she was a stray (more likely he couldn't take care of her anymore).

##### *Field Report – Janet Parker*

Janet thanked everyone for helping at the Field Trial. She mentioned John Grill who ran the kitchen all weekend and did a fabulous job. Mary Grill line marshaled and Dan Graham help plant birds. Martina Friedberg judged several braces both days. Jackie Shelest who was the Field Trial Secretary.

Janet said that the fall Hunt Test will be held on October 8th and Karen Lynch is the secretary.

There was a discussion about whether or not our club would like to bid on the National Field Trial/Hunt Test in 2012. Janet said if we host this event we must have members volunteer to work. Debbie Davis said she would email the parent club and let them know that we are interested in placing a bid for an April 2012 date.
