News and Views

June 2012

From our Editor

GREETINGS FELLOW MEMBERS!

What comes to my mind as I write this is the small word **BUSY**. Here it is not even June yet and a jillion things are happening or about to happen.

May/June are always crammed full of more activities than most of us can handle. Right on schedule is the gardening, the weeding, the planting, the rain and then the weeding and planting all over again. I certainly am not complaining because my perennials are gorgeous.

Let's not forget the graduations, weddings etc and the list goes on. At the top of the list are all the dog shows that are outside now and they are coming up in droves if one enters a few. The really, really **BIG SHOW** is the ISCA National Specialty which is in Santa Rosa, CA June 12-16 at the Hilton Hotel Sonoma Wine Country.

The venue looks good. June 11 & 12 - tours and golf, Health Symposium, June 13 - Health Clinic and Blood Draw, June 12 - Agility, June 13 - Obedience & Rally, Sweepstakes, June 14 & 15 Regular Dog & Bitch classes, June 16 - Best of Breed & Best Puppy. There are a total of 497 dogs entered.

Good luck to those that will be competing!!!

Check out the new litter announcement. Some of these pups might be available.

Lastly, a friendly reminder that dues renewal will be coming up soon.

Safe travels to you all!!

Happy Summer,

Barbara Riegle, Editor

Did You Know . . . ?

Hey members,

We are looking for someone with computer skills who may be willing to take over the *publishing of the News and Views*. Barbara Riegle is the Editor and she is great to work with! If you have the talent/skills to create a newsletter and would be willing to take on this important task for our club - please call Martina, Jackie or Barb Riegle.

AND if there is anyone out there who is creative and has a desire to work on the *club web site* - Please contact Jackie. The old adage: 'many hands make for light work' is really true!

2012 ELECTION COMMITTEE

Karen Lynch, Mary Laturie and Barb Popyk have volunteered to be the election committee for the 2012 elections. **Please contact them if you are interested in any position.** Look at the last page of the newsletter for the list of committees and offices.

Board terms expiring this year are Toni Whipple and Karen Lynch. The election vote will take place at our September 13, 2012 meeting; however, **we will open nominations to the floor at our next meeting in July - so let them know if you are interested as soon as possible!**

ISCM SPECIALTY RAFFLE

Raffle time is just around the corner. **The raffle will be on Sunday, September 23rd.** We've got almost three months to gather items for the raffle. Your donation is not limited to a basket, anything setter related or non-setter related item will be fine. I know we have some creative people out there. Please save your donations for the day of the raffle.

Help will be needed with the raffle table and selling tickets. Please let me know if you can help.

Barbara Popyk
Raffle Chairperson

The Performance Events Department would like to make Pointing Breed Field Trial Clubs aware of two recent changes/clarifications to the Regulations.

(1) **Blank Guns.** The Regulations pertaining to blank guns (Chapter 3, section 7) have been updated to address new types of blank ammunition that is available. In addition new language has been added to caution handlers about the potential harmful effects blank guns. This change becomes effective June 1, 2012.

(2) **Master Level Requirement** to Shoulder the Gun in Non-Shooting Situations. In the Master level test, there has been confusion regarding the rather awkward requirement for a handler to shoulder the gun in a back course, non-shooting situation yet also fire the blank pistol in a timely manner. In order to clarify this situation, the handler is only required in shoulder the gun in a shooting situation. In a non-shooting situation, the handler should fire the blank pistol. New wording will appear in the next reprint of the Regulations.

Should you have any questions or comments, please e-mail huntingtest@akc.org.

Michigan Sporting Dog Judges Education

June 24, 2012

Metamora, Michigan 48455

The Irish Setter Club of Michigan participated in the Michigan Sporting Dog Association's judges seminars. We had 12 judges that came to the Irish Setter Breed Seminar. We presented a video on the versatility of the Irish Setter and then went through the ISCA Judges presentation on our breed. The judges then spent time going over dogs in the ring. We had 7 dogs for them to go over ranging in age from 5 months to 5 years. At lunch we participated in a field demo so the judges could see our wonderful breed work in a field. Cassie Allen brought two dogs, one being the winner of the Field Trial Bitch class at the national and receiving an Award of Merit. She demonstrated the field work with these two dogs assisted by Jeannie Webb. I would like to thank them both for coming all the way from Ohio to participate. I would also like to thank Jackie Shelest for also bringing lovely Meme. The seminar was a great success and the judges appreciated the education on Irish Setters. Thank you again Jackie, Cassie and Jeannie for all your help.
